### Summary of reasons for decision:

The photographic image on the printout shows a young teenage girl lying on a bench in her underwear. The camera is positioned adjacent to her head and does not focus on her pants or genital area. An unreadable logo indicates that its source is the internet. There are no sexual elements in the image and it raises no issues under s3(1), s3A or s3B of the Films, Videos, and Publications Classification Act 1993. The publication must, therefore, be classified as unrestricted. This classification is consistent with the right to freedom of expression as set out in s14 of the New Zealand Bill of Rights Act 1990.
